At this time, what personal, educational, or vocational goals do you have in mind? What will be your intended major? Do you have any clear idea about what you hope to do after graduation from college?

Name 2 classmates. 1.) Who have had a positive influence on you and/or 2.) Whom do you admire for their accomplishments? Write a brief statement about this and how meaningful they are to you. (It could be someone other than your best friend.)

What points do you feel should be mentioned on your behalf when asked for recommendation? Explain. Please list examples. Have you encountered a conflict in courses? Do you need to explain a specific grade? Have there been personal circumstances that prevented you from doing your best? Any incredible positive experience that boosted your interest in academics or extracurriculars?

Describe an academic experience which has been a highlight during your Mount years (a teacher, a class, a project, a book.)

**Do you give us permission to anonymously share your comments about your MSMA highlight with the Mount community?    yes    no**

Comment on out-of-school activities which are important to you including hobbies, travels, clubs, political involvement, family commitments, recreational outlets or any special interests which you have developed. Of all these activities, which is most meaningful to you? Why?

Everyone has one or more talents. Which ones are you good at?

What quote has personal significance to you? How does it represent who you are?

If you could spend one day in a great library studying anything you wanted, what would you study? Explain.

From your list of high school activities and/or personal experiences what have you done that you are proud and/or been commended for? (i.e. academically, community service, work related)

If you could change one thing about your high school experience, what would it be? Why would you change it, and how?

Which class, during any of your high school years, has challenged you most? Why? How did you manage this challenge?

Twenty years from now, we are writing about you in the alumnae journal. What should be written about you? Dream on!!! Who have you become?

Are you presently employed? \_\_\_\_\_ Where? \_\_\_\_\_  
How many hours do you work each week during school? \_\_\_\_\_ Must you work? \_\_\_\_\_

List any work experiences that have helped you in your development. What have you learned about yourself or people in general?
